

Private Stargazer's Night

Payment & Cancellation Policy

\$100 Deposit

A deposit of \$100 is required to reserve the date of your Private Stargazer's Night and lock in the current prices. Your deposit will be applied against the total cost of the visit.

If you have any questions or concerns regarding the date of the event or the visit itself please contact the Programs Team at astronomy@creationmuseum.org or (859) 727-2222 ext. 229.

Final Numbers and Payment

Minimum number of participants is 35. Final numbers are required 4 weeks (28 calendar days) before the date of your scheduled visit. This ensures that staffing needs can be properly anticipated.

Tickets may be added, subject to availability, within 21 days of your scheduled visit, but they must be paid for with a credit card at the time they are reserved. Numbers may not be adjusted lower once payment has been made. No refunds will be extended once payment has been received.

Cancellation and Refunds

If you wish to cancel your private Stargazer's Night reservation more than 28 calendar days before your scheduled visit, your deposit can be refunded in the same method in which it was paid (minus a \$25 cancellation fee). Checks may take up to 4-6 weeks to mail.

28 Days Cancellation

All cancellations made within 28 calendar days of your scheduled visit will result in the forfeiture of the entire \$100 deposit. No refunds will be extended once full payment has been received.
